visit in person to make payments to:

Payment and Collection of Fines: If your vehicle has not been immobilized or impounded, fines may be paid online (with credit card or transfer to UNM Bursar account), in-person, or by mail. We accept cash, personal check, credit card, or with approval, transfer to UNM Bursar account. Failure to act within five business days could result in additional penalties or collection methods. Mail or visit in person to make payments to:

you must then pay the citation.

Appealing a Citation: All citation appeals take place online at pats.unm.edu. Click on "My Parking Account" and use your NetID and password to login. You will choose the option to appeal a citation. Citation appeals can be made immediately after the citation was issued to you. Appeals must be made within 5 business days of receipt of the citation. If you do not make an appeal within five business days, you lose the right to appeal and UNM Bursar account. Failure to act within five business days could result in additional penalties or collection methods. Mail or visit in person to make payments to:

Vehicle Immobilization or Impoundment: Vehicles can be immobilized or impounded for any violation of the UNM Parking Regulations. The most common reasons include: non-payment of fines, unauthorized use of a permit, use of a fraudulent permit, reserve parking space violations, and fire lane violations. Immobilized or impounded vehicles are released to the registered owners or their designees only. All outstanding citations associated with the vehicle, its operator, and its owner must be cleared prior to release. Methods of payment for release of immobilized or impounded vehicles shall be cash, credit card, money order, or with approval, transfer to UNM Bursar account. Checks are not accepted for payment on immobilized or impounded vehicles.

Restricted Areas: The following are restricted areas where parking is limited to those with authorization and special permits: handicapped spaces, fire spaces with red curbs, safety spaces with yellow curbs, official vehicle spaces, service vehicle spaces, loading spaces and reserve parking spaces. Parking in the following areas is prohibited at all times: sidewalks, crosswalks, landscaped areas, driveways, parking lot aisles and thoroughfares.

Parking Citations: PATS is authorized to issue citations to users who misuse services or park illegally. Citations range from \$20 to \$250, depending on the nature of the violation. Common violations include not displaying the proper permit, no or insufficient payment at hourly parking pay stations, and parking in restricted areas. Citations not paid within 5 business days from the receipt of the citation will result in an additional \$5 fee.

How to Park Legally: All vehicles must be parked in a legal parking space. Legal parking spaces are in stalls (between two lines) or at bumper barriers. If a space is not marked by lines or a bumper barrier, it is probably not a legal space and should not be used for parking. In all cases, paint and signs supersede general parking rules. Zone Permits are only valid for regular spaces within their respective Zone and not where otherwise restricted.

The 3:45 p.m. Rule: Park & Ride, Preferred, and Structure Zone Permits become generic at 3:45 p.m. Monday - Friday and are then valid in regular permit spaces in any other Park & Ride and Preferred zone. For example, a SOUTH Permit becomes valid in B Zone. Resident Parking permits are not eligible for the 3:45 p.m. rule and can only be used in the zone specified on the permit. You cannot use the 3:45 p.m. rule to park in a parking structure or Resident Zones.

Brief Overview of Parking Regulations

The complete regulations are available at pats.unm.edu. Hours of Enforcement: 7:00 a.m. to 8:00 p.m., Monday - Thursday, Friday 7:00 a.m. to 6:00 p.m., Saturday 8:00 a.m. to 5:00 p.m. Reserved and pay station spaces enforced Saturdays, 8am to 5pm The Yale and Cornell parking garage are subject to enforcement 24/7. Regulations for fire, safety, reserve, and handicapped spaces are in effect and enforced 24 hours a day every day of the year at the discretion of PATS and UNM Police Department (see Restricted Areas).

| Motorcycle | Handicapped | Reserved | Daily/Weekly/Monthly | Hourly & Visitor Parking |
|---|---|---|---|--|
| Most Display current motorcycle/scooter permit. | All vehicles using UNM handicap parking spaces need to display a state-issued handicap placard or temporary handicap permit issued by PATS. Out-of-state handicap permits are also honored. If a designated handicap space is not available, the handicap permit holder may park in any pay station parking space or zone space not further restricted by sign. | Reserve permits guarantee exclusive parking in a designated space and can be purchased by an individual or by department. Call 505-277-9503 for more information. | Available from PATS main office and can be bought in advance of usage date. Restrictions apply. | Available to all users throughout campus 24/7 at \$1.75 per hour. The Cornell Structure accepts cash on the 3rd level. All other hourly parking is credit card only (VISA and MasterCard). Available throughout campus as displayed on the map in this brochure. |

Additional Parking Options (more information available at pats.unm.edu):

Department of Parking & Transportation Services

A Quick Guide to Parking and Transportation Information and Regulations

2014 - 2015

pats.edu.unm

Printed on Recycled Material

What We Do: We support the University's education, research, and service missions by providing access to key programs for faculty, staff, students and visitors through a variety of transportation services that consider the needs of each customer. With 4,000+ students, staff, and faculty on campus (not including visitors) and limited parking spaces, our system is designed to create orderliness and provide options to our customers. We offer many services that provide access to campus across the price spectrum so that you can choose the method that best meets your individual needs. This brochure will highlight those methods and will focus on our UNM parking permits and transportation service. Our commitment is to providing high-quality customer service.

Step 1: Choose the type of parking that will best meet your needs according to your affiliation with the University. The permit options chart details the "types" of parking available to students and staff/faculty. Parking specific to UNM Hospital is not administered by PATS. For more information please contact UNM Hospital Parking and Transportation Services at 505-272-4074.

Step 2: Examine the zones, which are also plotted on the map in this brochure. Parking is assigned by sections called "zones." Each zone is identified by a letter or a name. Ex: "G" or "SOUTH." Users must buy permits for a particular zone in order to park in that zone. Some zones require eligibility verification.

Step 3: Purchase your permit according to the guidelines in the Permit Options. All permits are sold on a first-come, first-served basis and are for a 12-month period beginning in August of each year, unless otherwise noted. For online purchase visit pats.unm.edu, click on "My Parking Account," and use your UNM NetID and password to login.

Permit Payments: Visa, MasterCard, check, cash, and UNM Bursar account (where eligible). Cash payments and pre-tax automatic payroll deduction (staff/faculty only) only available in main office.

Permit Refunds, Exchanges, & Replacement: Refunds will be based on the next month's prorated sale price. There are no refunds for Resident permits returned after the 12th week of classes. There are no refunds for park & ride permits after March 31. Exchange fees apply. Lost or stolen permits must be reported to PATS immediately. Any citations issued to vehicles displaying the lost or stolen permit prior to the filing of the report remain the responsibility of the permit holder. Permits reported lost or stolen in accordance with PATS procedures will be replaced for a \$10 processing fee.
